36 Scotia Close MOUNT SHERIDAN QLD

3 1 1

The home is packed with unlimited potential to capitalise on the property features and certainly the location! The Owners have improved the home with new flooring throughout and with a coat of paint, this home will certainly become someones new pride and joy!

You could reconfigure the front street facade to allow better side access to the rather large backyard. There are no rear neighbours, just the seasonal cane train when the sugarcane season is milling.

This home will become someones mission to improve and enjoy.

Mount Sheridan is a desired after locale with fantastic access to many local amenities like shopping centres,
