94-96 Highleigh Road GORDONVALE QLD

4 2 5

This home, this property, this location, expels an exceptional quality for living simplicity with abundance. Retained with the one family for the past 29 years, this home has been fantastic!

They have had many family gatherings here, lots of family and friends have stayed and there is plenty of space for everyone to have their own area.

The family home is positioned well on this substantial parcel of land.

Entirely fenced, reclaiming all usable land content, with two street access.

Meticulously maintained and much loved and appreciated, a redeeming attribute and sentiment.

An opportunity to secure a rare, just shy of half an acre property on the outskirts of the Gordonvale township.

Land Size : 1991 sqm
